

Occupational Therapy Board of NZ  
*Kaihaumanu Tūroro o Aotearoa*

## Strategic Plan - *Towards 2010*

### **Vision**

The Occupational Therapy Board of NZ will be a world leader in occupational therapy competence and standards.

### **Mission**

The Occupational Therapy Board of New Zealand will be recognized, trusted and respected as the statutory body which maintains a register of occupational therapists, sets and monitors standards, promotes competence and education, defines professional and ethical conduct, and promotes best practice in the interest of public health and safety.

### **Values**

The following values form the basis of the Boards work:

Social Justice

Facilitation

Fairness and Natural Justice

Transparency

Consistency

Accountability

Professionalism

Integrity

### **GOALS**

**1. *To fulfil the OTB statutory functions***

This goal is the core of the OTB's work and ensures the OTB meets the requirements of Parts 1-5 of the HPCAA 2003

**2. *To maintain and develop capability and resources to fulfil the Board's responsibilities.***

This goal allows the Board to ensure it fulfils its statutory and governance role as set out in Part 6 of the HPCAA

**3. *To promote the development of the occupational therapy profession.***

This goal covers the OTB communication with the profession and stakeholders.
