

## **Occupational Therapy Board of New Zealand Regional Symposium**

The following is the indicative programme for the regional symposiums the Board is holding in Wellington, Dunedin, Auckland and Christchurch.

Presenters will be drawn from the regional area and so will change for each symposium.

There is no cost for attendance and is open to practitioners and students. Morning tea and lunch will be provided.

### **Indicative programme**

- Registration: tea and coffee - 8:30 – 9:00
- Open welcome and Karakia
- Chair OTBNZ opening remarks
- A patient's journey. A patient will describe the impact occupational therapy has had on their life. There will be two patient journeys presented
- A therapist's journey. An occupational therapist will talk about their own journey as an occupational therapist. There will be two therapist presentations
- Group discussions and networking
- Guest speaker in recognition of the work and life of the late Dr Linda Wilson
- Group discussions - What is OT practice like and how can the Board support practitioners now and in the future?
- Questions and answers - you and your ePortfolio
- Close 3pm
